Myli acknowledges the Gunaikurnai, Bunurong and Wurundjeri peoples as the traditional custodians of the land on which our services are located. We recognise that Aboriginal and Torres Strait Islander peoples are these lands first story tellers and that there is so much more we can learn from First Nations cultures.

Myli is committed to the safety and wellbeing of all children and young people.

HOME LIBRARY SERVICE...

Myli - My Community Library offers a Home Library Service that enables our volunteers and staff to build and maintain connections with our community members.

We offer delivery of library materials to people who may be physically unable to visit their library due to illness, injury or who may be caring for someone else. We keep an open mind about why you may need and enjoy the service.

As well as a wide selection of books (large print and standard print), magazines, DVDs, and audio-books; we offer e-audiobooks, e-books, e-magazines and many accessible online programs and events.

To benefit from this service, recipients must be a Myli Member and must live in the Bass Coast Shire, Baw Baw Shire, Cardinia Shire or the South Gippsland Shire.

How It Works

Register your interest and we'll check for an available volunteer within your community. If there's an available volunteer in your community to visit, we'll match you up and offer a friendly and personal service. Our team will select items for you to borrow from the library. We'll contact you to arrange the delivery of these items and the pick up of any materials you've finished using. The service can be offered as a temporary or a long-term solution.

Personalised Service

To select your items, we will talk to you about:

- What you like to read
- How many things you may like to receive
- If you wish to choose specific titles or authors
- If you would be happy to get a selection of items to browse through
- How to access our e-resources
- Your interests and hobbies

Register your interest
